On the Joint Motion and agreement of the parties herein, by counsel, and it appearing to the Commission that the November 19, 1981 Industrial Power Contract, submitted with their Joint Motion, insofar as it results in an allocation of territory and consumer between retail electric suppliers, promotes the purposes of KRS 278.016 by avoiding wasteful duplication of distribution facilities, by minimizing the dispute between retail electric suppliers, and otherwise, and the Commission being otherwise advised:
